

# TINY B BASS

TBJ-4450N

TBJ-4400B

TBJ-4500N

The new 4000 series, in shape of the traditional JB type, features a tighter and clearer sound as well, brought by massive ash wood. The translucent acrylic pickguard makes “slap” playing easier while showing off the beauty of natural grain.

Primarily available in two colors: Natural & Black, both in satin open-pore, with the option of 4-string and 5-string models. ( “Fretless” , available in 4 string model.)
